TRACI L. DiBENEDETTO
Borough Clerk

JOSEPH B. BELLINA
Business Administrator

RICHARD J. GARTZ
Chief Financial Officer

June 6, 2016

Dear Freehold Borough Residents:

Many of you have observed the infrastructure improvement work being done by New Jersey Natural Gas (NJNG) throughout town. This work is taking place in three areas, which are as follows:

1. Manalapan Avenue and Conover Street Area
2. Jackson Street Area
3. Barkalow Avenue/Route 90 (South Street/Jerseyville Avenue) Area

Work in the first two areas is largely complete. Typically, it will take approximately two to three months for the trenches to settle properly. This means that, weather permitting, NJNG will resurface the trench areas in late summer.

Work in the Barkalow Avenue area is ongoing, and expected to continue throughout the summer. Based upon this schedule, this means the trenches along Barkalow Avenue will be resurfaced later this Fall.

Thank you for your attention to this matter. If you have any questions, please feel free to contact NJNG directly at 800-425-1109.

Sincerely,

Joseph B. Bellina
Business Administrator
